

Simi Valley Youth Soccer League

SPONSORSHIP INFORMATION

Simi Youth Soccer has been a part of the community for over 35 years. We are a non-profit organization dedicated to the development of youth in Simi Valley through the sport of soccer.

We are looking for local businesses that are looking to sponsor and advertise with the league. The funds will go towards the league website, website maintenance, referees, and field equipment. Our desire is for the website to be a constant source of information for the league families with new features and game pictures to be added weekly. Contributions will be from the board, parents, as well as the players themselves.

There will be three levels of sponsorship.

Level 1 – GOAL! – this is **\$50.00** and will have your business promoted for 1 year. The business logo will be advertised on our site in our sponsor section with a link to your website.

Level 2 – Double Header! – this is **\$85.00** and includes a plaque for you to display at your office or place of business as well as 1 year on our site.

Level 3 – This is the “Hat Trick” – all of the above benefits for the business that just loves soccer and knows the value of the impact that it has on the youth in the community. The cost is **\$100.00+**
